ADVANCED STUDIES PROGRAM 2023

Statement of Purpose

Founded in 1978, The Yoga Room is dedicated to the practice of hatha yoga as taught by B.K.S. Iyengar, author of *Light on Yoga* and *Light on Pranayama*. As a multi-generational community, we are concerned with encouraging proper alignment in the poses, maintaining a balance between strength and flexibility, and making yoga available to people of all ages and abilities.

Advanced Studies Program

The Advanced Studies Program (created in 1988 by Donald Moyer and Mary Lou Weprin) is a flexible, modular program that can be adapted to suit your individual needs and interests.

Year 1: Personal Practice Year

The Personal Practice Year focuses on deepening your understanding of yoga and developing a home practice. Special Studies Classes and Personal Practice Classes are available on a series-only basis and no drop-ins are allowed. One year of yoga experience is required. (Please see page 2).

Year 2: Teacher Training Year

The Teacher Training Year emphasizes basic teaching skills and practice teaching classes. Students who successfully complete this year will be awarded a Yoga Room teaching certificate and will be eligible to join Yoga Alliance at the 500-hour level. (Please see page 3).

Continuing Education

We offer a wide variety of Continuing Education classes, workshops, and intensives for certified teachers. (Please see page 4).

Admission to Personal Practice Year

To be eligible, students should have had one year of yoga experience. There will be a brief phone interview and a one-time application fee of \$75.

Admission to Teacher Training Year

To be eligible for the Teacher Training Year, students should have successfully completed all Special Studies classes and Personal Practice classes and attended their weekly ongoing class on a regular basis. In addition, students should have an established home practice.

Prior to joining the Teacher Training Year, you must have the recommendation of your primary or ongoing teacher and have completed all classes in the Personal Practice Year.

Fees and Registration

Tuition for Advanced Studies classes are noted on pages 2 and 3 in the course descriptions. There may be an additional charge for handouts. Fees are due at the first class of the series. Please register at least two weeks in advance.

Students are required to attend a weekly class, level 2-4 or 3-5, with an ASP graduate or faculty member. The cost to attend these classes is not included in course tuition amounts.

Total tuition for the Advanced Studies Program, including ongoing classes, is approximately \$3,600 for the first year \$4,000 for the second year or about \$7,600 for the program. For those who want to ease this financial burden, we offer work-study.

Length of Study

The Advanced Studies Program is a two-year program, but students may extend the time. Classes may not be available every year. The Program runs from January to December. There is a summer break in July and August with classes resuming after Labor Day.
